

## Shearpro™ Multi-Purpose Hand Cutter

A heavy duty, multi-purpose, hand cutter for cutting & trimming of wood, plastic, rubber, etc. Have you ever installed quarter-round floor trim, electric or video cable, cut a garden hose or pruned a tree? Well, if you've answered yes, you will appreciate this wonderful tool. By changing anvils to fit your needs, you can easily encounter tough jobs with ease. It is a "Must Have" tool around the house for all odd cutting jobs that do not require the use of a saw, but can't be done with ordinary shears. Works well with soft woods up to 3/4" in size.

**Advantages:**

- Heavy duty steel body: for long lasting use on tough materials
- Super sharp forged steel blade: can be resharpened or replaced.
- Five anvils: for cutting flat and round materials.
- Special coated handles: for Non Slip grip
- ABS attache case: for easy storage and security.
